

Die Zeit im Bild deaktivieren

The image shows the Dahua web interface for configuring video settings. The interface includes a top navigation bar with buttons for 'Live', 'Wiedergabe', 'Einstellungen', 'Alarm', and 'Abmelden'. A left sidebar contains a menu with 'Kamera', 'Zustand', 'Video', 'Audio', 'Netzwerk', 'Ereignis', 'Speicher', 'System', and 'Information'. The 'Video' menu item is highlighted with a red box. Below the sidebar is a video feed showing a parking area with several cars and a white van. A yellow box highlights the time '13:06:11' in the top right corner of the video. Below the video feed are buttons for 'Standard', 'Aktualisier', and 'Speichern'. To the right of the video feed is a settings panel with the 'Einblenden' tab selected (highlighted with a red box). The settings panel includes options for 'Privatzone', 'Kanalrtitel', 'Zeittitel' (highlighted with a red box), 'Standort', 'Schriftattribut', 'Bild überblend...', and 'Benutzerdefini...'. The 'Zeittitel' section has two radio buttons: 'Aktivieren' (unselected) and 'Deaktivieren' (selected, highlighted with a red box). Below these is a checkbox for 'Woche anzeigen' (unchecked).
